

TOWN OF NEW WINDSOR
POLICE DEPARTMENT
Memorandum

TO: JAMES PETRO, PLANNING BOARD CHAIRMAN

FROM: WALTER KOURY, CHIEF OF POLICE

SUBJECT: MEADOWBROOK ESTATES

DATE: MAY 2, 2003

I have reviewed the roadway plan for the proposed Meadowbrook Estates development and recommend that a second access/egress road be designated.

Such road would be necessary for our emergency response units should the current entrance road from NYS Route 94 become blocked and a second emergency further in the development occur.

Thank you.
